## FROM THE SUPERINTENDENT

### WELCOME TO THE 2012-2013 SCHOOL YEAR

As a new school year is set to begin, I would like to thank the New Rochelle community for their ongoing support. The main priority for any school district is to provide a quality education and positive learning environment for students. Our Board of Education, administration, faculty and staff can always count on the New Rochelle community to be a fully engaged and true partner in our goal of addressing the needs and celebrating the achievements of our students across the district.

Looking back on the school year just completed, there is much to be proud of. Our schools and students continue to perform at a high level and are exposed to educational programs that enrich their experiences both inside and outside the classroom. Even as the economy continues to pose challenges, our collective community has risen to the task of providing the most comprehensive educational experience we can offer. Staying on course has required much sacrifice, hard work and determination. I am truly proud of what we have been able to accomplish over this past year.

The coming school year will pose additional challenges. As the economy continues to recover, we face a second year of tax cap implications, heightened expectations associated with student outcomes and the implementation of a professional evaluation system. As always, I have the utmost confidence that our faculty, staff and administration, with unwavering support from our Board of Education, will tackle these challenges head on and build on our success.

I am constantly amazed by the pride that the New Rochelle community takes in our schools. Rest assured that we do not take it for granted. We remain deeply committed to earning that pride every year and making sure our students not only achieve academically but also earn their own sense of pride and accomplishment.

Sincerely yours,

Richard E. Organisciak  
Superintendent of Schools

### BOARD OF EDUCATION

Chrisanne M. Petrone, *President*

Deirdre Polow, *Vice President*

Naomi Brickel

Jeffrey Hastie

David Lacher

# CALENDAR AND DIRECTORY

## OF THE CITY SCHOOL DISTRICT OF NEW ROCHELLE 2012-2013

Award-Winning School District  
 Elementary - Secondary School Recognition Program  
 United States Department of Education · New York State Department of Education

### BOARD OF EDUCATION MEETINGS

The Board's regular monthly meetings held in public are generally scheduled on the first Tuesday of each month at 8:00 p.m. at school district offices on the second floor of City Hall. These meetings are preceded by a Committee of the Whole session (C.O.W.) at 7:00 p.m. A second Committee of the Whole session is held the last Tuesday of each month at 7:00 p.m. Parents and residents are invited to attend all meetings, especially those held the first Tuesday which often feature presentations of educational programs. Meetings are listed in the calendar and announced in the local media.

### COMMUNICATIONS WITH THE BOARD

The Board provides time at its regular monthly meetings for the public to be heard. Speakers may be included on the Board's printed agenda by contacting the Clerk and Secretary (576-4219) at least one day prior to the Board's meeting. Additionally, the Board may set aside a time slot during the Committee of the Whole session held in public on the last Tuesday of the month for an informal discussion with members of the public.

Residents who wish to communicate with the Board by letter may address their communication to the President, Board of Education, 515 North Avenue, New Rochelle, NY 10801. Questions concerning administrative matters or individual students should not be directed to the Board until the appropriate staff members or administrators have first been contacted. In cases of questions or problems concerning a student, parents should first contact the teacher or guidance counselor, then the principal, and then, if necessary, the Superintendent of Schools or his staff. If after these contacts, questions still remain, the matter may then be brought to the attention of the Board of Education. Experience has shown that most problems can be resolved with the least delay if the staff member nearest the problem is approached first.

### 2012-2013 SCHOOL DATES\*

Sept. 4	General Staff Orientation (Tues.)
Sept. 5	Schools Open (Wed.)
Sept. 17, 18	Schools & Offices Closed - Rosh Hashanah (Mon. & Tues.)
Sept. 26	Schools & Offices Closed - Yom Kippur (Wed.)
Oct. 8	Schools & Offices Closed - Columbus Day (Mon.)
Nov. 6	Superintendent's Conference Day - Students do not attend (Tues.)
Nov. 12	Schools & Offices Closed - Veterans Day (Mon.)
Nov. 22, 23	Schools & Offices Closed - Thanksgiving (Thurs. & Fri.)
Dec. 24-Jan. 1	Schools Closed - Recess (Offices Closed 12/24, 12/25, 12/31, 1/1)
Jan. 2	Schools Reopen (Wed.)
Jan. 21	Schools & Offices Closed - Martin Luther King Day (Mon.)
Feb. 18-22	Schools Closed - Winter Recess (Mon.-Fri.) (Offices Closed 2/18)
Mar. 25-Apr. 1	Schools Closed - Spring Recess (Mon.-Mon.) (Offices Closed 3/29, 4/1)
May 24**	Weather Make-up Day #2 (Fri.)
May 27	Schools & Offices Closed - Memorial Day (Mon.)
May 28**	Weather Make-up Day #1 (Tues.)
June 21	Last Day of School (Fri.)

\*Calendar subject to change

\*\*New York state requires a minimum 180-day calendar. If schools must be closed more than two days due to inclement weather or other emergency, school will be held for a full day on May 28, a "make-up" day. If an additional day is needed, May 24 will be used. Parents who have any questions concerning days of religious observance should contact their principals.

### Half-Days:

The following days are scheduled half-days for parent-teacher conferences or curriculum development. In addition, middle schools and the high school have three half-days scheduled on Oct. 17, Dec. 5 and March 13:

Sept. 5	Schools Open
Sept. 25	Curriculum Development
Oct. 17	Curriculum Development
Oct. 31	Curriculum Development
Dec. 5	Parent Conference/Curriculum Development
Dec. 12	Parent Conference
March 13	Parent Conference/Curriculum Development
June 19	Clerical Day
June 20	Clerical Day
June 21	Promotion Day

The evening of Dec. 6 is reserved for parent-teacher conferences.

## EMERGENCY CLOSINGS & ANNOUNCEMENTS

If schools must be closed due to bad weather or other emergencies, or if significant transportation delays are experienced, announcements will be made over the following local media: Internet - district and school web pages: **www.nred.org**; on cable TV - **CABLE 77/30**, and radio - **WVOX - 1460 AM**. If there is no announcement, schools are open. If schools are closed, they are closed for all other scheduled activities, including after-school programs, athletics, continuing education classes and evening programs.

As a decision is made, our primary concern is the safety of the children. Transportation service for eligible students in grades 6 to 12 is provided by Westchester County Liberty Lines. Buses that transport students to and from Albert Leonard Middle School, Isaac E. Young Middle School and New Rochelle High School also serve established county commuter runs that Westchester County Liberty Lines cannot alter. It is not feasible to have a delayed opening or early closing that has not been planned well in advance for one division of our school system and not the other. Since child care needs and road conditions can vary greatly, the district advises parents to assess the conditions in their own neighborhood as they make decisions as to whether or not to send their child to school. Because the district may need to notify you by phone in an emergency, please provide your child's school with any change in telephone number or contact information.

## SCHOOL WEBSITES & TEACHER PAGES

The City School District of New Rochelle utilizes eChalk, an Internet-based system, to provide school Web communication for faculty, staff, students, parents and the community. You can navigate to all of our school Web pages from the Directory Listing found on the top of each school homepage. A new function enables parents to subscribe to their child's teacher class page and then receive notice when the teacher posts updates such as assignments. Using the eChalk Internet-based system, teachers may choose to post current announcements, homework and project assignments,

test and quiz dates, etc. Automatic notices are sent when announcements and events are updated by subscribing to the automatic RSS feeds (orange icons) on all of our school homepages. Important district information such as school closing announcements and Board of Education meeting agendas are also posted at **www.nred.org**.

## **MISSION STATEMENT**

The mission of the City School District of New Rochelle, acknowledging its richly complex history, is to produce responsible, self-sufficient citizens who possess the self-esteem, initiative, skills and wisdom to continue individual growth, pursue knowledge, develop aesthetic sensibilities and value cultural diversity by providing intellectually challenging educational programs that celebrate change but affirm tradition and promote excellence through an active partnership with the community, a comprehensive and responsive curriculum, and a dedicated and knowledgeable staff.

## **REGISTRATION OF NEW STUDENTS**

Parents seeking to register children should call the school's main office for an appointment. At the time of registration, parents must present: three (3) proofs of residency, proof of the student's age, and the most recent report card. For students residing with someone other than a parent or court-appointed legal guardian, or in cases where parents do not have required proof of residency, enrollment must be arranged through the Department of Pupil Services. Please call 576-4274 for information.

When registering, students residing in the Lincoln District will be assigned a school by the superintendent of schools. Parents/guardians should bring their children to the school when seeking registration.

## **PRE-KINDERGARTEN PROGRAMS**

Recognizing the importance of the early childhood education, the district provides space for a limited number of four-year-olds at the Barnard School for the NYS Pre-Kindergarten program and the Early Childhood Magnet Program. The pre-kindergarten

programs help the young child with a comfortable, secure and inviting transition from home to school. Both programs provide developmentally appropriate opportunities to promote each child's natural abilities, interests and enthusiasm for learning. Applications for the NYS Pre-Kindergarten Program are available by contacting the main office at Barnard at 576-4386. Applications for the EC2 Magnet Program are available at the open house event in March.

## **MUSIC AND ART**

A comprehensive music program provides children a rich experience in classroom, choral and instrumental music from Grades K-12. Academic and advanced placement courses are also available. A comprehensive art education program provides children a rich experience in the fine arts. Resident musicians complement the music education program. In addition, an annual art exhibit at the New Rochelle Public Library in the spring, called "Our Children, Our Artists," is a district-wide celebration of the fine arts. The PAVE (Performing and Visual Arts Education) program affords those students who want to major in the performing arts an opportunity to do so at the high school level.

## **MAGNET SCHOOLS MAGNET APPLICATION**

Parents interested in applying for admission to the Barnard Early Childhood Center (EC2) must apply by 5pm on FEBRUARY 8, 2013. Applications for the Columbus Science, Math, Technology Magnet (C=SMT) or the Daniel Webster Humanities Magnet are due by 5pm on MARCH 22, 2013. Applications are available at each of the Magnet

Open House programs: Barnard Early Childhood Center on JANUARY 17, Daniel Webster Elementary on MARCH 6 and Columbus Elementary on MARCH 7.

All applications should be delivered to the Magnet Office at City Hall. Available magnet spaces will be assigned by lottery. Applicants are invited to the public drawing which is held in the Board of Education meeting room at City Hall. Parents should also register their kindergartner in their assigned neighborhood school.

## **TRINITY ELEMENTARY SCHOOL COMMUNICATION ARTS & TECHNOLOGY MAGNET (TESCAT)**

TESCAT is a neighborhood magnet school that is open to all students in the Trinity attendance area. Students learn a multitude of communication skills through the TESCAT magnet theme areas. They plan and produce daily news broadcasts in the digital TV Studio. Students publish a newspaper, books, and a literary magazine in the publishing center. Artists-in-residence coach students on dramatic presentations of social studies themes through the creative arts studio. TESCAT also features an outstanding orchestra and 100-member marching band in the music conservatory. A computer network/distance learning center is used to develop students' technology skills for now and the future. TESCAT is a learning community that strives for the success of all students by focusing on meaningful learning experiences in an environment that appreciates cultural diversity and nurtures respectful, responsible citizens.

### **EARLY CHILDHOOD CENTER (EC2)**

EC2, a dynamic and challenging primary magnet program, offers a four-year sequence for youngsters from pre-kindergarten to second grade. It provides a curriculum adapted from the internationally recognized Reggio Emilia method of instruction, with a strong emphasis on language development and literacy. The project-based curriculum incorporates themes which integrate creative problem solving and higher-order thinking skills while simultaneously addressing primary curriculum instruction in an aesthetically pleasing environment.

### **COLUMBUS SCIENCE, MATH, TECHNOLOGY MAGNET**

The magnet program at the Columbus School provides a challenging curriculum with emphasis on science, math and technology. School activities, as well as after-school programs such as our nationally competitive Chess Club, are organized to demonstrate that all students can meet and exceed the highest standards of excellence. The Columbus Magnet School ensures that classroom and school-wide activities meaningfully engage and excite students, while also involving parents in their children's education. In addition to child-centered, hands-on science and math projects, Columbus emphasizes frequent use of technology both in the classroom and in computer labs. Special facilities include the Global Learning Center, a fully-equipped science lab, the Greenhouse and Nature Study Pond, the Library Media Center, and computer labs. Partnerships include area colleges and universities such as Iona, Pace and CNR, as well as the Hudson

River Museum, the American Museum of Natural History, New York Botanical Gardens, City College's Math in the City Program, the YMCA Greenkill Environmental Center, the 24 Game Metropolitan Competition by Suntex International Corp. and the National Science Teachers Association.

### **DANIEL WEBSTER HUMANITIES MAGNET**

The Daniel Webster Elementary School Magnet Program enrolls children in grades K-5. The curriculum features humanities themes that encompass such areas as jurisprudence (laws and customs), philosophy (logical reasoning and relationships), literature, economics (interdependence) and sociology (self, family, neighborhood). Foreign languages (French and Spanish) as well as Studio Arts and Talents Unlimited, a program that sparks creativity and sets the basis for critical thinking, are integrated into the program at Webster School.

### **KALEIDOSCOPE**

Kaleidoscope is a language arts and mathematics program for all fourth and fifth-grade students. Kaleidoscope provides unique cultural activities. Students participate in the regular classroom program or are selected for either the modified Kaleidoscope program at each elementary school, or the full-time Kaleidoscope program at the Daniel Webster Elementary School, which also includes science and social studies. Selection is based on test criteria, creativity ratings and a writing portfolio. Students who are eligible for the full-time Kaleidoscope program are selected by lottery based on the number of criteria met.

### **SPECIAL PROGRAMS**

Special programs include a pre-kindergarten program, a K-12 computer education program with computer labs in all schools, a modified Kaleidoscope program in each building, a full-time district-wide Kaleidoscope program in the Webster Elementary School, a unique space science curriculum featuring demonstrations in the New Rochelle High School planetarium, English as a Second Language (which enrolls children from more than 20 countries) and an Arts-in-Education program. All of these programs reflect the school district's traditional commitment to expand learning horizons and to broaden educational perspectives. In addition, all elementary schools feature a unique thematic component as an overlay to the district's common core curriculum.

### **INTERNATIONAL LANGUAGE ACADEMIES**

With startup funds received from both federal and state sources, the Children's International Language Academy (CILA) is housed at Columbus, Jefferson, Trinity and Ward Schools; its secondary component now extends into Albert Leonard Middle School, Isaac E. Young Middle School and New Rochelle High School. Programs are offered in Spanish and English at seven sites, and Italian and English at Jefferson School. Students are eligible to enter these dual language programs in kindergarten or first grade and then continue through the grades. The students receive the elementary school core curriculum in two languages. Selection is based on an initial assessment of native language fluency and parent interest. The goal of these programs is to develop students who emerge as both bilingual and bi-literate.

## **SPECIAL EDUCATION**

The Special Education Department offers comprehensive services for students with disabilities ages 3 to 21 who are recommended to receive special education by the Committee on Special Education (CSE) or Committee on Preschool Special Education (CPSE). The programs provide individualized education in the least restrictive setting. The department provides advocacy and support and participates with the district's SEPTA program.

Each September, the district seeks to identify children with disabilities who will enter the public schools and are not identified by the district's Committee on Special Education. Parents or guardians who believe their children may have a disability should contact the Office of Special Education, 515 North Ave., New Rochelle, NY 10801, att: Yvette Goorevitch, Chairperson. Parents who suspect their preschool children may require special education services should contact: Chairperson, Committee on Preschool Special Education, Barnard School, 129 Barnard Road, New Rochelle, NY 10801.

## **ALTERNATIVE EDUCATION PROGRAMS**

The district operates an inclusionary alternative high school program. The Campus School, situated in a small supportive environment, provides a high school course of study leading to a diploma. Contact the Campus School director, director of special education or assistant superintendent of secondary education for details. Homebound instruction is provided for students confined to their homes or hospitals for extended periods due to illness or injury.

## **HEALTH SERVICES**

The Health Services Department, under the direction of a board-certified pediatrician, strives to care for the entire school community while offering individualized care to students with identified acute and chronic health conditions. Students in public, private and parochial schools are medically evaluated. Physical examination certificates must be submitted for new entrants and students in grades K, 2, 4, 7 and 10. All students must comply with New York State Health Law immunization requirements. Through screening programs, students are examined for growth and nutritional status, vision and hearing impairment, scoliosis, and hypertension, and health records are maintained. Parents are apprised of all medical factors identified in school. Special medical examinations and consultations are offered based on referral from the building-level Pupil Personnel Services Team or Special Education Department. All candidates for interscholastic sports must have a medical evaluation, which includes an Athletic Health History review and examination by a school physician or their personal physician.

School nurses provide services for students with special health needs which must be met during the school day. These services are based on the private/clinic physician's treatment plan and must be consistent with state education department and school district policy and procedure. School nurses are also a resource for parents who have concerns about how their child's health

status may impact his or her educational program. They are knowledgeable about health services available in the community and can assist families in locating appropriate sources of general and specialty pediatric and dental care.

## **CONFIDENTIALITY OF MEDICAL & MENTAL HEALTH INFORMATION**

The clinical staff of the City School District of New Rochelle adheres to the standards of the Health Insurance Portability and Accountability Act (HIPAA) to the extent that those standards are applicable to school districts. In addition, the confidentiality of student medical/health information in student records is protected by the Family Educational Rights and Privacy Act (FERPA).

## **WELLNESS**

The City School District of New Rochelle has a Wellness Policy and an active Wellness Program, with a School Wellness Council (SWC) in each building. The District Wellness Committee and SWC work with the Healthy Schools Program of the Alliance for a Healthier Generation on a framework containing eight elements of wellness. Parents and staff are advised to visit the Wellness page on the district website (choose the Wellness Initiative on the left-side menu) and [www.healthiergeneration.org](http://www.healthiergeneration.org). Please refer to the list of Healthy Snacks. We encourage parents to send healthy snacks for students who have snacks in class. New parent members of each SWC are welcome.

# PUPIL SERVICES

The professional staff of Pupil Services are committed to the success of all students in an educational setting. These services maintain census, records, and attendance information, as well as the following:

## SCHOOL PSYCHOLOGY

School psychologists provide important support to assist students in achieving maximal benefits from their educational programs. Their services include support for prevention of educational and behavioral problems through early consultation with school staff and parents, identification of students' strengths and needs through observation, psychological and other assessment, individual and group counseling, development and implementation of primary prevention, social skills and esteem-building programs, positive behavioral interventions, parent education, crisis intervention, and other services.

## SCHOOL SOCIAL WORK

School social workers are resources for the delivery of school-based support services, working as liaisons between schools, families, and community programs and agencies. Emphasis is placed on collaboration and coordination of services. By utilizing the social history, and other assessments, social workers collaborate with parents, teachers and other staff as part of a multi-disciplinary team in interpreting children's needs.

## ATTENDANCE/TRUANCY

Attendance teachers are essential participants in the district's efforts toward attendance improvement and dropout prevention. They provide outreach, through home visits to students and families, to address attendance problems before they become chronic. They serve as liaisons with community agencies and family court. Through residency verification and investigations, attendance teachers help to insure that the district's resources are reserved for New Rochelle residents.

## WORK PERMIT APPLICATIONS

Work permits are required by law for students under 18. Information about procedures and application forms are available from the school nurse, or from the census office located on the third floor of City Hall, 515 North Ave.

## CENSUS

A continuous census is maintained of resident minors enrolled in public and non-public schools in and outside the City of New Rochelle. Pupil population data includes individual and family information essential for district projects. All working papers are issued by the Census Office.

## CHANGE OF ADDRESS OR PHONE

Any change of a student's personal status, such as change of address (including apartment number), telephone number or family name, should be reported to the school office. Parents must also notify the school of changes in telephone numbers where they may be reached in cases of emergency. Personal information will be kept confidential.

## TRANSPORTATION

Free transportation is provided for pupils who are New Rochelle residents enrolled in kindergarten through fifth grade only, and who live at least 1.5 miles but less than 10 miles from the school they attend. Students in grades 6-12 who are eligible will receive subsidized MetroCards for public transportation to and from school. No trips home for lunch are provided. Pre-kindergarten children attending school half-day - morning or afternoon - are transported according to schedule.

The district is not required to provide door-to-door service, except for pupils enrolled in special education programs. Students in kindergarten and their siblings will be dropped off at the home address following the 3:15 p.m. dismissal; however, such services do not include buses or vans entering private driveways, roads or dead-end streets.

**Safety Reminders:** Parents should familiarize pupils with bus stop locations and ensure that pupils arrive at their stop on time. Pupils are transported to and from bus stop locations only. Children will be discharged at their assigned bus stop, even if there is no adult present to receive them, except for special education students. The safety of the pupil between the home and the bus stop location is the responsibility of the parent. Avoid arriving too early or too late. Stress the importance of remaining seated and reasonably quiet while the bus is in motion. Students should dress for weather conditions, and for visibility in inclement weather. Policies and procedures and evacuation drills are in place to ensure your child's safety. Please support them. To maintain discipline, the school district reserves the right to suspend transportation privileges. Note: There will be a 15-minute required emergency early dismissal on Oct. 5, 2012.

## Application Procedures:

*To Private Schools* - April 1 is the deadline for requests for free transportation for children in grades K-5 who attend private or parochial schools. Applications received after the April 1 deadline, (or requests for a change of school after April 1 on applications filed prior to April 1) will be approved only if additional expense is not incurred by the school district. Requests should be sent to: Transportation Office, City School District, 515 North Ave., New Rochelle, NY 10801. Anyone who moves into the district after April 1 has 30 days to apply for transportation. Transportation applications must be filed every year for students who attend non public schools through grade 5.

## NONDISCRIMINATION STATEMENT

In the administration of its programs and policies, the City School District of New Rochelle does not discriminate on the basis of age, sex, race, creed, color, national origin or disability. It complies with Title VI, Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Act. Inquiries regarding this policy should be referred to the school district's compliance officer: Dr. Diane C. Massimo, Assistant Superintendent, 515 North Ave., New Rochelle, NY 10801-3416.

## EDUCATIONAL ACCESS TV ON CABLE

Educational programs and prerecorded video programs of events in the school district are broadcasted on the district's educational television station, Cablevision Channel 77/917 or Verizon

Channel 30, available to cable TV customers in the City of New Rochelle. Program schedules are broadcasted during the school year. The station broadcasts bulletin board notices and prerecorded programs during July and August.

## CONTINUING EDUCATION AND ADULT EDUCATION PROGRAMS

The district provides a year-round program of continuing education for adults. Courses are offered at New Rochelle High School in many subject areas. For specific course information, call the Continuing Education Office evenings from 5-10 p.m., Monday through Thursday, at 576-4547. Registration for senior citizens is half of the standard fee. The High School Equivalency Program (GED) is for individuals preparing for the high school equivalency examination; the Extended Day Program is an alternative to regular daytime high school classes.

## MAC (MUSEUM OF ARTS & CULTURE)

The Museum of Arts & Culture (MAC), located in New Rochelle High School, provides an on-site museum experience for students and serves as a cultural asset for the entire community. The Museum of Arts & Culture is the only Regents-chartered museum housed in a school in New York. The MAC is funded by the nonprofit New Rochelle Fund for Educational Excellence. Gallery times for the Museum of Arts & Culture are Monday-Friday, 9am-3pm, and Tuesdays and Thursdays, 7-9pm. For current exhibit details, call 576-6518 or visit dbmac.org.
